

Flossy Touches: Embroidered Borders {Vintage}

You can add to your needle-and-thread versatility with a repertoire of the basic embroidery stitches. You'll find no limit to their usefulness, from making a patch ornamental, a handkerchief more personal, a guest towel more inviting, to giving your wardrobe and your house furnishings, in general, a more precious look.

Here are several examples of attractive border designs using basic embroidery stitches (vintage patterns). You'll find details of the stitches used at the bottom.

Threaded running stitch, lazy daisy.

Lazy daisy, French knots.
